

# DEVICE SOLUTIONS

DURABLE, RELIABLE MOBILE AND MEDICAL GRADE DEVICES THAT MEET THE UNIQUE NEEDS OF A HEALTHCARE ENVIRONMENT

## COMPLETE DEVICE SOLUTIONS

- Medical grade devices designed for durability in a healthcare environment
- *Ruggedized* consumer mobile device options, with added antimicrobial protection
- Range of after-hours or 24x7 device and IT support plans
- Affordable payment options that are scalable as you grow

**PoC:** Fully Managed Point of Care devices are the ultimate tools for efficiently and accurately capturing information, providing freedom of movement and productivity gains for your team.

**eMAR:** Fully Managed eMAR devices are tested, durable options that are certified to run whichever electronic medical administration record software you have deployed in your organization.

**Multipurpose:** We can also recommend great multipurpose device options – streamlining device operation for staff and putting multiple applications at their fingertips.

**Nutrition & Dietary:** Talk to us about device solutions for modern nutrition & dietary service.

Ask Fully Managed about your device strategy and helping you meet today's evolving infection control and compliance standards.
